

Interstate Telehealth Workgroup

MARCH 3, 2023

Note: This meeting is being recorded and will be posted to MHCC's website

Agenda

- ▶ Welcome
- ▶ Overview of the Discussion Items
- ▶ Discussion: Potential Solutions to Address Barriers to Interstate Telehealth
- ▶ Next Steps

Discussion Items

1. How to address the health insurance coverage and medical liability issues associated with the use of out-of-state practitioners through telehealth?
2. Are interstate health compacts sufficient for expanding the use of interstate telehealth?
3. Whether Maryland should alter its licensure practitioner requirements to further the availability of telehealth services while continuing to protect patients and, if so, how?
4. What impact will promoting out-of-state telehealth have on Maryland practitioners?
5. Other policy issues that the workgroup considers relevant to expanding access to telehealth services.

Thank You/Next Steps
